# ***Metal Theft***

***Don't let them get away with it.***

**Metal theft is on the increase. To help keep your house and neighbourhood safe follow these simple steps.**

- Don't leave metal items insecure in gardens and yards.
- Keep an eye on any unoccupied properties near you and report anything suspicious.
- If you see cars and vans carrying scrap metal report them and we will make sure they are legitimate.

***If you see anything suspicious report it.***
