# Spring & Summer

**Follow these tips for a safe and happy summer.**

- Enjoy the summer sun but don't overdo it, especially if you're mixing it with alcohol.
- Don't drink and drive - if you start drinking in the afternoon or stay up late socialising, you could still be over the limit either later in the day or the next morning.
- Consider others when socialising outdoors.
- Don't leave dogs in hot parked cars.
