Privacy controls

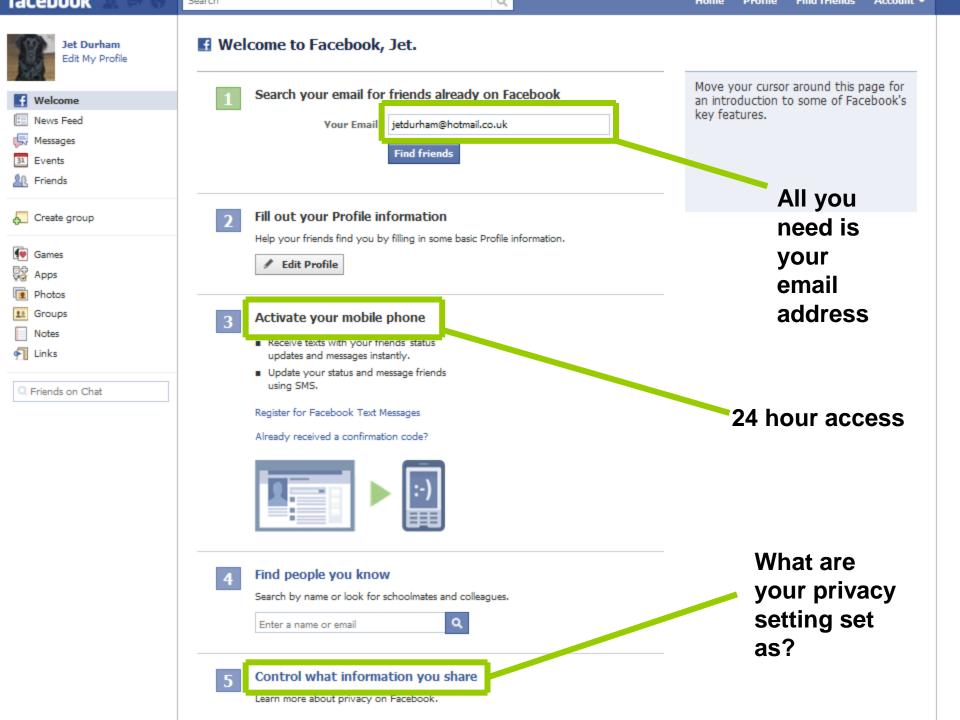

Edit your privacy settings

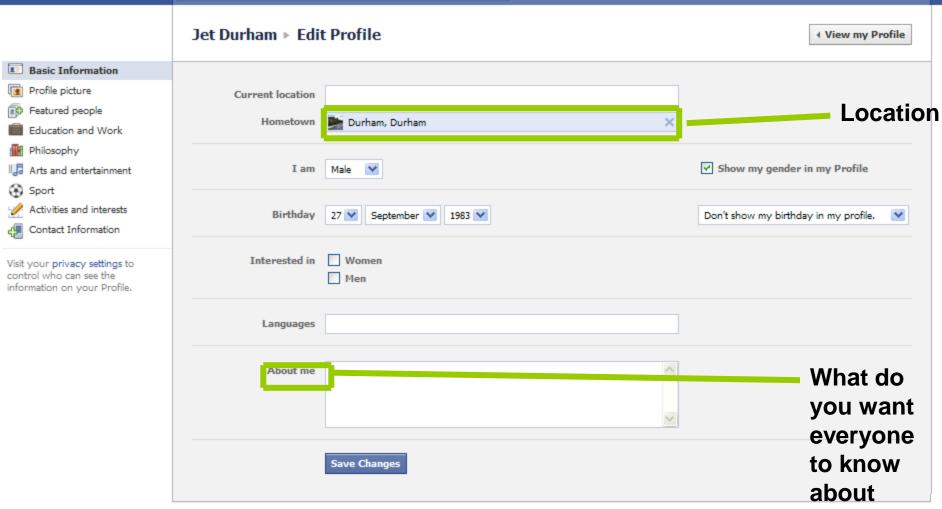

The settings you choose control which people and apps can see your information. You can share your information with friends, friends or everyone, and we offer presets to help you do that. Or, if you prefer, you can customise your settings.

This section controls who can see all the content you post on a day-to-day basis (such as status updates, photos and videos). It also includes some things you share about you (birthday and contact information) and content others share about you (comments o
